

TRELLJET assembly blue

INDUSTRIAL MAINTENANCE

Jetting, draining and spraying hoses

Applications

For Kärcher, Kew, and Wap high pressure cleaning equipment. Blue TRELLEJET is non-staining for food industry, public bath, etc.

Advantages

- Very good flexibility, and easy to work with.
- Long life time due to superior wear and oil resistant rubber.
- High temperature capacity (up to + 150 °C).

Technical description

Inner tube: oil resistant rubber, black, smooth.

Reinforcement: Steel, braided.

Cover: wear and oil resistant rubber, blue, smooth.

Temperature range: - 40 °C to + 150 °C.

Complementary information

Delivered in cardboard boxes, five assemblies per box.
